ABOUT US

Family hospitality since 1950

In 1950 Nazzareno Spaziani and his wife Vori Maria opened a rest stop on the Grande Raccordo Anulare ring road, the first hospitality business in the area. With their son Giancarlo the rest stop became a hotel, and in 2002 the modern Hotel Meeting Roma was born, continuously renewed in its interiors and services.

Today the same family welcomes professionals, companies, families and groups with a simple formula: a strategic location, flexible service and the best value for money.
